Do me have to c u on a bavaria style, or whaata...Me kill the squirrls by hand...

Knaack it goes...(don't even need an AK for that, my "adopted fatrher""presented me an 22.-250 Caliber. With an 2-8x Sscope, like that. Less firepower, but a goood accuracy..! This will be ok until 200 meter (160yrs)...

But I do prefer the .308

Hammers even a 50cm tree...
