kinghigh1Some people act like hoes " The noob won't defend the base" shit im here to play ,not defend a god damn base. So in closeing I would like to say FUCK YOU people for calling people noobs.In every game I've played, you have to give to get. Someone always ends up with the short straw. You won't always be able to be with the winning team with an attitude like yours: "I'll do what I fscking want because I'm a retard who cannot fathom what teamplay is, let alone do it!".

kinghigh1You know while most of you so called great players are getting your rocks off to this game, I'm getting my rocks off with your old lady. NOW NOOB THAT!No reason to start a flamewar here. Obviously someone has pissed you off. Try talking with them or ignoring them. Don't inform us of your personal problems.
