Oblivion165dark_hell_firei bet you need baned to dick

Man, got to love those sentences that no one could possibly understand.

1. Get a copy of MsWord.
2. Type all of your post in MsWord
3. Let it correct every one of your sentences for you
4. Paste it in the Reply window
5. Hit submit

That should get you in "bidness" for forum participation.
