deadfiveIf you are like me, 15 years old, has no credit card and has no way to pay for a website.
Free hosting is the only way to go unless you mooch off a friend.

You don't need a credit card moron. If you truly do plan to turn your shitty rengen into a company.
You would know you could use paypal. With a bankcard or some other service. But then again
you forgot to change the title of your webpage from the default title. Which shows you did not even
design your own page.
