I don't know why you guys are so willing to help people who can't even get a sentence done without a myriad of grammar errors and lazy "shortened words" put in. They don't deserve your help.

If you refused to help on those grounds, maybe they'd find some incentive to fix their disgraceful writing skills. I'm sick of seeing these low IQ morons come to this forum for help and I hope to god I'm not the only one.
