Seconded, god damn it all. . . ~\_~;

Crimson wrote on Wed, 24 August 2005 17:30 So what if I made a 'annoucement' post (which gets special recognition from this forum software) that says 'what to do before you post'?

cheekay77 wrote on Wed, 24 August 2005 17:32 How many people can you honestly see reading it/listening to it?

Two. And need I say that these would both be "oldbies"? Heh.

I doubt even that....but hey you never know. Maybe with the combined efforts of us we can eliminate noobs....

On second thought, maybe not. But hey, its a step in the right direction. Now if they come in here, doing stupid shit.

We can be like YOU STUPID NOOB WHY THE FUCK DIDNT YOU READ THE ANNOUNCEMENT!!!!

Hopfully, itll scare em enough to read it, or leave forever.

Either way, id be extremely happy.

I vote for the latter.
