Duke of Nukes! I'm one of your "tree huggers" and guess what. I know the war isn't about oil. He didn't do anything to his own people...the Kurds aren't his people...that's like saying Hitler was killing his own people when he killed the Jewish people in Europe :rolleyes:

Just when you think the IQ scale can't go in to the (-) negatives... Duke comes around and proves just how low human intelligence can go.

It's amazing you can even remember how to breath.
