XeonTeam wrote on Mon, 29 August 2005 01:02I have not had time to take the site down yet. I also need to think of something to take its place. I am a little dissappointed at the lack of trust in these forums but you can rest assured i have no scret little plans going on.

You're kidding me, right? "Lack of trust"? What makes you think that you, a known cheater and cheat supporter, are going to be believed when you just randomly say, "I'm done with cheats"? Even the most glibble people are going to hav to see it to believe it. Prove it to us first.
