When I read these posts, I realized..."wow...I'm older than alot of people playing"...then I read on further...I was wrong!!! I think it's good for the older folk to be owned by teenagers. That'll teach them when they say, "You need to respect your elders." Well...how's virtually killing you for respect??? LMAO. I don't really understand how a person nearing their 30s/ have reached their 30s can have time to play an online game. I think it's cool though...goes to show you that us teenagers aren't wasting our time playing games.

BTW.....I'm 16 nearing 17 (Wednesday...5 days and counting...)
