I love Jazz, ever since I had to listen to it because I take Jazz in my Highschool, it grew on me and it's pretty realaxing to listen too.

[Edit] I also listen to Story of the Year, Sum 41, Linkin Park, Black Eyed peas, Hedley and Jazz occasionally when I get tired of listening to the same old stuff over and over.

btw if you're wondering I edited this post to make it 'less' spam
