mac wrote on Mon, 26 September 2005 03:49Blacklisted game2.exe does not give false positives. The banreason for it is usually "attempting to bypass renguard" which means blacklisted game2Okay but the messages says that it is for xslim420x and since my username is heromatt7 i dont think this ban was ment for me. And reguard will still let me play like normal sometimes.
