It's not, it's quite fun. My clan mate found a game and posted the link for it on our forums: Dark Throne Beta It's pretty damn fun, you can choose between four different races, Humans, Goblins, Undead and Elves. You build up a town and attack other players for gold, and if you're the undead, some citizens. However, the only way for the Undead to get them, is to kill troops.

Edit: Oh, and, by the way, the link is a recruitment link. If you go to it, I get 250 gold and 1 citizen. If you sign up under it, I get 10,000 gold and 10 citizens. I only get 30 "outside recruitment points" per day I believe, so don't constantly click it.

Edit again: Sorry for changing the subject and everything, SuperMidget.
