I don't necessarily "hate" people, more like dislike. And that list is long, however I'll try to make it simple

Nopic, kinghigh, nightma12, most AOL users, anyone who can't type "you" instead of "u", ESPECIALLY on a forum, morons who think they know what they're talking about when they really don't, Pak, Aprime, and uhh.....other people. And that's just from this community.
