considering that was your only post...
I would say do the following.

1)Play in the clan server
2)Be a decent player
3)Hangout in there IRC / TS
4)post often on there forums
5)make freinds with the members

Do this for about 1-3 weeks this ask the clan "can i join??"
and give many reasons and such and you might have a better chance then

"hey
how can i come into a clan????????? "
