Ma1kel wrote on Sat, 28 January 2006 05:17Don't listen to GrimmNL.

Because of XWIS can't pass updates to the client you need to manually download patch 1.037:

ftp://ftp.westwood.com/pub/renegade/updates/Renegade_1037_En glish.exe

Download and install it. Now you should be able to play online.

Bs, i got the patch from xwis when i reinstalled 1 week ago. @ 150Kbps
