I've this problem:

jonwil wrote on Fri, 24 February 2006 06:11

If anyone is still getting "old file not found errors" and:

- 1.You are going through RenGuard
- 2.You have Core Patch 1 and its downloading cp2.zip

My renegade is part of "C&C the first decade". I installed Core Patch 1 as standalone and want to install cp2 through renguard. In regedit PatchVersion entry is 1. I hope you can help me.
