Subject: Re: White screen, not responding Posted by gumpur on Mon, 13 Mar 2006 21:19:32 GMT View Forum Message <> Reply to Message

Well actualy the option to maximise is gray so i cant choose it and i tried turning off my fierwall but that did not do the trick

there is the screenshot

(sorry for the bother but im new to computer, just got one so can you post an noobie guide if you find the solution )
