Why are you cw.cc people all so predictable and all the same?

because we can be. if your community was at the top, you wouldn't mind putting everyone else down. it's dumb i know, but if i ever i have nothing to say, i'll just remind you about how bad you are and leave you with absolutely no come back to that =/

Quote:I pity you, fool...

And i wouldn't be surprised if you would need to google this sentence to know who I'm quoting here.

Quote:Forgive them Lord, as they don't know what they're doing
This one should be a bit easier to guess.

Quote:Wise men speak because they have something to say; Fools because they have to say something.
