I click on westwood online. it shows my death etc and ranking thingy in the box. when I try to veiw server listing though, it says no servers listed at my place, but at my friends place, I see all the normal servers, nonnoobs, ren-server etc.
No I mean the little window that pops up saying after you see the little box that shows your kills, deaths, etc. The one that pops up after you put in your name and password and hit login.
It should say something along the lines of "Connected to XCC online!" and or it should say something about an error that occured while trying to connect to XCC online.

The box should look something like this(it might say something different):
