Almost exactly same thing could be said about Xbox.

"Microsoft is releasing a hugely dumbed down version for $400. Their hope is really that you'll think "Well, I could give $400 and get a half-assed Xbox, but for a $100 more..." and you'll end up paying the extra. The $400 version is a joke."

My number may be wrong (I don't now how much Xbox costs in US), but you get the point.
