majikentAfromn96I understand that but does ACK have 2 knitpick at everyones stupid little mistakes

And why do you have to bring up someones name who isn't in this thread.  I don't see a post from ACK here in this thread... do you?  It's posts like this that have no place here.

He was corrected in a different thread, so this wasn't out of the blue.  In reality, trolling the forums to correct people grammar is kind of petty.  maytridy is right, the only way to deal with it is to ignore it.
