Darkknight wrote on Sun, 09 July 2006 10:32I remember a thread awhile back of someone being banned for cussing on un. The debate was over the word Fanny, which in the queens english is a sexual part of a woman.

So before you speak make sure you run all your words through a world translator to make sure it doesnt offend anyone. in this case it was fooker.

I can beat ya...

But using a rappers name like Young Jeezy is cussing too...lol

I think my name is bannable to if I were allowed in since it's after SnoopDogg...lol
