I had to change the channel. It was the first time I ever saw... you know... those. Wow, you're quite sheltered, aren't you?

Yeah, I was kind of sheltered, and when I learned about things... wow did I learn about things. Being sheltered is one of the worst things parents can do to their kids. Protect? Sure. Shelter? That doesn't do any good... they'll learn it anyways, and it'll be more of a shock when they do.
