Yes, I know. I was trying to be a prick to JohnDoe, because I thought he was just trying to incite a riot. Who knew he actually watched the thing and was just crying out for a hug.

I also know that Wimbledon is a grass court, and the goal by Italy was picture perfect. I still liked the penalty shot. That cat was cool. A perfect chip shot and a perfect celebration. Score, turn and jog away, not ripping his shirt off or thumbing his nose to the enemy.
