A debate on religion!?

I WANT TO PLAY TOO!!!

These are always fun.

I believe in God. I believe Jesus died for my sins and I acknowledge that I am a sinner and that I can not get to heaven because I am not perfect. I believe Jesus died for my sins and that is why I believe I will go to heaven. I believe that because thats what the bible teaches. If you ever hear some one say they have been saved thats what they are talking about.
I believe if you don't believe in God, or Jesus you will go to hell. Your willingly ignorant to the truth. Even if you don't believe the truth.

It would be cool if you got down on your knees tonight before bed and prayed to God, or Jesus...*same thing believe it or not*
It's not to late. Even if you bashed God all your life he will forgive you.

In your prayer tell Jesus that you acknowledge you are a sinner and your not perfect. Thank Jesus for dieing on the cross for your sins. Ask Jesus to lead your life and ask him into your heart and he will forgive your sins. If you truly believe Jesus died on the cross for your sins and you ask him into your heart and acknowledge you are a sinner when you die you will go to heaven. There is nothing you can do to go to heaven the only way is Jesus.

John 14:6 Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me.

Sorry thats the way it is. Ok I know I really opened myself up here for a good bashing... but thats half the fun.
