Oblivion165 wrote on Thu, 03 August 2006 17:22Can you make a tutorial on how to do that grid mapping? I always wondered about that.

You know it's so easy to do, I think I will

Doitle wrote on Thu, 03 August 2006 17:48Could my sig be placed somewhere on the track? After all it is like a Campaign Billboard. I'll even make a model or something for you as payment if required.

I can't really tell what it's promoting there is no web link either, I'd like to stick to renegade specific things so web sites that are involved with ren weather it be maps, server hosting, forums etc... making the banner look C&C specific is a bonus too.

Don't forget Tiberios. They're mutogenically delicious!

cheers, I'll remember to spell your name right in the readme this time
