Setup

Error signature

AppName: setup.exe AppVer: 1.6.0.0
ModVer: 1.6.0.0 Offset: 0009e0ed

Reporting details

This error report includes: information regarding the operating system version and computer hardware; information to identify your license; and the Internet Protocol (TCP/IP) configuration for your computer.

We do not intentionally collect your files, names, or other personally identifiable information. However, the error report may collect data from open files. While this information could be present, it will not be used.

The data that we collect will only be used to help us improve the product and to help Microsoft support you when you report the problem. This error report is collected with limited access and will not be used for marketing.
