My parents praise the lord every day yet bad things happen. I myself wear my cross around my neck everyday. Yet i get hurt and whatnot. Where is "he" then?

Its just like saying the toothfairy is real...

wow... how many times do I have to mention this? Let's see if caps works...

THE BELIEF IN THE CONCEPTS OF ONE RELIGION DOES NOT DICTATE THE EXISTANCE OF GOD.

Just because one faith teaches that "God will save you from evil if you pray" DOES NOT DICTATE HIS EXISTANCE, REGARDLESS OF WHETHER OR NOT SOMETHING BAD HAPPENS.

Quote:i like these sort of threads, it is interesting to see poeple's stupid arguments on somthing that doen't exist

So, you know, and can provide proof, that he doesn't exist?
