Subject: A quick solution for new maps
Posted by frijud on Thu, 22 May 2003 00:14:25 GMT

I agree with this idea. I was on the Pits, and when Bunkers came up...I fell through the floor. Some players kindly said that I needed the new version (2.0). I left...Went to Renmaps.com....and came back. I have done this several times when I come upon a map that I don't have.
