the17doctor wrote on Mon, 04 September 2006 04:50unfortunately, with this ladder system, people could play games with only them in it just to earn points, or go o co-op games where points are easy to get and so are kills and wins.  
In this case, you could setup a system where servers are either force joined into a ladder or can request to join. Example would be all servers 40 + would make one ladder system, 24-39 another, etc.
