mjfabian wrote on Wed, 06 September 2006 21:22 "Faith," by definition, is the firm belief in something which cannot be proven. Religion is faith based. Arguing about something that has no real right answer seems like a waste of time to me...

Yes, but it's still a subject that inspires debate/arguing. It's something that we hold close to us. Especially if someone calls me closed-minded because I disagree with them.
