omg omg try to shoot a rocket at that point

it flies right thru the tank as if its not even there

so if u turn the tank so that its side is facing enemy tanks nd u got a gunner nd hot behind it, it would be extremley destuctive nd incincible, ofcourse the gunner wont c where hes shooting, but could b useful at close range[/quote]

NICE!

I WONDER IF IT WILL BE THE SAME WITH ANYOTHER CHARACTER.....

I'LL HAVE TO DO SOME TESTS....
