The rule was: Don't bring [this stuff] up, or you will be banned. You brought that stuff up, and were banned.

NO ONE was banned for siding with you. The ONLY ones who were banned, were banned for helping you avoid that ban by posting things (about the stuff that was not allowed to be posted] for you.

It's amazing how gullible you are... Crimson spouts the same lies she's been feeding the entire community, and you swallow it like a mouthful of semen.

Apparently if an admin says black is white, it's true because it was stated by the admin... I get it.
