Sniper_De7 wrote on Sat, 21 October 2006 20:06 Why did they add that stupid message that says "<name> is NOT using Renguard. <name> COULD be cheating. I mean, it makes it sound like if someone is using RG, they can't be cheating. It just doesn't seem like anything necessary to be said. I don't know what exactly that message is from and if it's default but I don't know why you would put that there.

Yes, you should be able to suppress those messages. I understand the intended purpose, but it's kinda forceful and misleading.
