nice to see you here

Hi Paddy

Quote:Reinstall RenegadeFDS and then fast the SSCTF things in the right folders.

At home its not a problem paddy its works fine here. But I trying a real gameserver. With a 1Gbit
connection. There it wil not work:(

Quote:dont intall SS-CP! that overwrite the scripts

I reinstalled FDS already. Then sscp2 and after that i did CTF. Local its workking but not from
Gameserver.
