If you are serious about joining a respected clan, then come see us! We are well respected in the community. We have one of the best sites, with online forums, and one of largest FDS online...currently hosting 24 player games 24/7! It's a requirement of our clan that you use Team Speak or Roger...afterall, we are ALL about team work!

<http://www.HazTeam.com>

"When it's more than just a game!"
