Jerad Gray wrote on Wed, 08 November 2006 00:15I have one thing to say "MDB_Remote_Controlled_Vehicle" it seems to actually teleport you to the vehicle and then you get in.

THANK YOU! That's exactly what I needed, can't believe I didn't spot that. Sometimes you just can't see things that are right in front of you.

Although.. the way he does it does not seem to allow you to specify which vehicle to put the player into... although it must work somehow. I will see what I can do with it.
