I think it looks pretty awesome. I was completely sucked into the C&C Tiberian Sun storyline etc so I'm rather desperate to play this. And I'm very pleased that they are making a C&C 3.

To be honest I thought Generals was really fun. It didn't have the storylines from previous C&C games but it reflected the real world a lot more. It was a fun break if anything.

But hell yeah, bring on C&C 3.
