trooprm02 wrote on Mon, 01 January 2007 21:28 I asked Atomic for a 2vs2 after this, him and stonecold (a proven cheater + atmoic is a proven nickname exploiter). Anyway, I told them we would play them IF they ran renguard (they prob have rgh but w/e) So i hosted, kept they serv up for a good 30min...no one showed up...they knew the pass and everything so ATOMIC FTW

Correction I tried to join. It wouldn't And I asked for the ip no answer then you n00bs join the infantry only server i come in Own you both you leave. I say Learn to count you left XD

We'll play a 3v3 and stone doesn't cheat and i do not nick Exploit get that through your head. the 3 that will play are Stonecold, Nukem and I. On Field and some server that is on GSA and XWIS. and aow game if you want sniping i have to arrange with this other guy. LMAO rgh is for n00bs like you. We will even test if you think we are cheating but w/e
