Anyway, I told them we would play them IF they ran renguard (they prob have rgh but w/e) So i hosted, kept they serv up for a good 30min...no one showed up...they knew the pass and everything so ATOMIC FTW

Correction I tried to join. It wouldn't And I asked for the ip no answer

ROFL, i think i blew a lung when I saw that. I knew you would say somehting like "i c0uldn't j10n t3h s4rv cuZ iT h4d a paS5" or something like that (thats why i left it for 30min). Thanks for the laugh

Seriously Trooprm02..why are you still breathing? give the fuck up.
