Maybe he could have become a great Renegade modder, but nobody bothered to stand up for him, and he gave up on the community. Real funny.

You have a great point there, I did feel sorry for the poor dude, Hey my first mod sucked, and so did ACK's, Just takes time for perfection eh?  
That would imply that his got better ...

You have a good point, but I douth it, his mod really did suck 54mbps of shit, lol  
lol
