Blazea58 wrote on Sat, 03 February 2007 17:54Thanks alot for your contributions Jerad, i cannot be more happy to see all these features make it into the map. Now to just find a good practical use for the flashlight.
Yay I got credit, now I am extra happy!
But seriously now:
Actually the flash light took me 2 days to work right, so I made sure only to let one other good mod use it.
And you will need to install multi-scripts loader to use some of the more advanced features of RP2, if you have a problem with this, talk to Jonwil.
