Other stuff needs working out too obviously...

e.g.

- Code of Conduct for servers, maybe servers who are severely assholes get DQ'd from the ladder or something
  - definition of which games constitute valid ladder games.... e.g. AOW/CCM, sniping... and RA:APB, Reborn...?
  - maybe a forum to report cheaters, if there is conclusive proof (screenshots, fraps, server logs...) then they get banned/points removed and whatnot, from the ladder (anyone else remember keetxx?)
  - hall of fame somewhere?
-
