trooprm02 wrote on Sat, 17 February 2007 18:36 Like i said, that was with a junk account "0wNz3r" or something like that. According to mex's SS's, used a "trooprm02" account (which i did have way back and forgot the pass so didnt use it, hence my junk account). Spoony just check+post the last date an account by the name "trooprm02" had logged in, and I have proven my point.

I think you would have proven your point if the troopmr02 account was not made by you.
