CarrierII wrote on Mon, 19 February 2007 21:51 They are going in the right direction with this.
Congrats EA.

(OMG, I wrote "congrats EA" - *checks to see that pigs aren't flying and the world isn't spinning backwards*)

Pigs are not flying - check
The world is not spinning backwards - check
What the fuck? - check

Good job, for once, EA. Now I just hope this game will have a longer support than the average EA game. At least A LOT MORE than a year.
