Update:

This is the command editor. The top listbox is where you add Command Access Groups EG "admin". the bottom listbox are the players in this group.

when you click on a Access Group it will automaticly load the checkboxes and players for that group.

a new commands list also, i have removed alot of commands.

!help
!ahelp
!sounds
!music
!nextmap
!kicka
!ban
!ddef
!build
!buy
!gameover
!swearfilteron
!swearfilteroff
!website
!weather
!time
!myinfo
!getinfo
!sethealth
!setmoney
!setarmour

there may be some more i missed out. this was just off the top of my head.
