Update:

This is the command editor. The top listbox is where you add Command Access Groups EG "admin". the bottom listbox are the players in this group.

when you click on a Access Group it will automaticly load the checkboxes and players for that group.

a new commands list also, i have removed alot of commands.

!help

!ahelp

!sounds

!music

!nextmap

!kicka

!ban

!ddef

!build

!buy

!gameover

!swearfilteron

!swearfilteroff
