bigejoe14 wrote on Mon, 19 March 2007 21:48It may seem like the ban hammer shouldn't come this quickly, but the thing is, if you were to ban JohnDoe at some point in time, it would be best to do it now or sometime in the very near future. JohnDoe has had a banning comming for a very long time now, yet he hasn't gotten it yet.

That's not true. As I said a few posts ago, Blazer banned him rather recently for his verbal abuse. If you look at his post history, there's a significant stretch of time (I think 30 days) when he did not post.
