## Subject: Re: I have my .pkg , is it possibl to have a .mix ?
Posted by CFGpower on Wed, 21 Mar 2007 20:37:41 GMT

ok i have my .mix map ! thx

my map work when i host my serv, but on my server (A0000063) if i put the map, we can play on but it lag so much ! we have like 100 ping but it lag so much !

can anyone try to fix it if you can ?

My map : http://tmarea.free.fr/cfgpower/C&C_CFG_Map.mix

Thanks by advance, and if you know what's the problem tell me please ! thanks you
