misha12 wrote on Fri, 30 March 2007 22:06 First of all.. Hello to everyone.. I'm new here.. Me and my younger brother are playing Renegade but 1vs1 and it's boring. I'm just wondering if there is a Multiplay Lan map w/ AI bots.. we want to play on the same team.. any idea? we will appreciate it very much,..

Give me 4 or 5 months, then Renhalo will be released, which will be a major single play/coop for Renegade.
